

Tasking Memorandum No. 99-29

Memorandum For Cdrs DCMDs, DCMC CAOs

Subject: 1999 Department of Defense (DoD) Value Engineering (VE) Achievement Award (**TASKING**)

Date: November 3, 1998

Suspense Date: November 18, 1998

Target Audience: All DCMC personnel associated with VE

Requirements:

- Purpose : To request that each District provide at least one nomination for the Procuring Contracting Office/Contract Administration Office category of the subject award. CAOs with nominations should contact their district point of contact: Ross London (DCMDE) rlondon@dcmde.dla.mil, Robert Posthumus (DCMDI) robert_posthumus@hq.dla.mil, and Kevin Kaboli (DCMDW) Kkaboli@link.dcmdw.dla.mil. This is an opportunity to have our people recognized for their valuable contribution to the VE program.
- The awards program recognizes those whose efforts have achieved significant contributions to the program in cost savings or cost avoidance, quality improvements, and/or efficiencies.
- Also, special awards will recognize specific outstanding DoD initiated VE Proposals (VEPs) and/or contractor submitted VE Change Proposals (VECPs). Nominations for the special award should demonstrate innovative approaches and applications and expand the benefits of VE beyond traditional hardware and construction cost reduction (i.e., improvements in: software, environmental concerns, energy conservation, organization/process/service improvements, performance, reliability, other quality improvements, etc.).
- Each nomination must be supported by a Fact Sheet to be used for the review and selection process. General guidance and several example fact sheets are provided in the attachment.

PLAS process and/or program code(s): 199
